Reading Comprehension (6marks)

Read the text :

My name is Jack, and I live with my parents, Susan and Mark, and my sister, Emily. My mom is a nurse, and my dad is a teacher. Of all the seasons, summer is my favorite. The weather is typically hot and sunny, making it perfect for outdoor activities. My family and I often go to the beach during this season. We enjoy the warm sand, the warm water, and have fun swimming, playing beach ball, and surfing. I also love reading books while lying under the umbrella on the beach.

One time, I woke up early in the morning and decided to swim when the water was still chilly. I screamed when the waves hit my body, but I kept swimming until 10 am. Later at midday, I started shivering and had cold sweats. My mother took me to the doctor by car. The doctor examined me and prescribed medicine. He also advised me, "Don't play in cold waters anymore. Stay in bed, drink hot drinks, and don't forget to take your pills."
