

**Dear Jane,**

I am happy to read your e-mail and I love your family. May God bless all of them. Now, let me tell you about myself.

I am an orphan, I haven't got a father and I haven't got a mother, but I live with a big family. I have got six sisters! Yes, I have six sisters and they are all twins. Haha!

Sandra and Suzy are 4 years old, they are still babies, they are so cute and they love playing with toys. Maria and Mariana are 9 years old. They are both pupils and great dancers. Mike and Marc are 16 years old, they are students in a secondary school. They are athletes, they play basketball and they run.

My adopting mother is a doctor, her name is Dina, she is generous and kind, and she likes reading. My adopting father is a farmer, his name is James, he loves animals and plants. He goes to his farm everyday with his dog Sam. My grandmother lives with us, she is 72 years old and she is a great chef, she cooks delicious meals. I love them because they are supportive and loving. We spend fun times together. They are the best!
